SkyHouse is a joint venture between Batson-Cook Development and Atlanta based Novare Group.

The team is currently exploring several other markets. SkyHouse consists of a 23-story highly efficient tower that is built to Energy Star specifications and includes luxury finishes and amenities. The 320 residences include studio, one, two and three bedroom units, and enjoy an amenity deck 230 feet above street level. For more information on SkyHouse visit www.skyhouseatlanta.com.
